LEON HESS

Chairman of the Board

"I'm very excited and looking forward to the season," said Jets Chairman of the Board Leon Hess this past spring. "I'm proud of the organization. So much has been done during the offseason. The organization is functioning beautifully, and now it's up to the team to function in a similar manner. We are looking forward to the future."

Under Hess' direction, Rich Kotite, Steve Gutman, Dick Haley, James Harris and Pat Kirwan set out to improve a Jets team that struggled in 1995. The result was one of the most dramatic and productive offseasons in recent memory.

Both *The Sporting News* and *Pro Football Weekly* cited the Jets as the most productive team in the NFL in the off-season rebuilding process. Ron Erhardt and Pat Hodgson were hired fresh off their Super Bowl run with the Pittsburgh Steelers to take over as offensive coordinator and tight ends coach, respectively. Those hirings were followed by the signings of several high-profile free agents including, Neil O'Donnell, Jumbo Elliott, David Williams, Jeff Graham, Frank Reich and Rico Smith. The team was also able to retain its own top free agents by signing RB Adrian Murrell to a long-term deal, and re-signing DE Marvin Washington, thus keeping one of the NFL's top defenses intact for the coming season.

Hess has continuously sought the finest football facilities for both the players and the fans throughout the years. After citing Shea Stadium as "the NFL's poorest facilities for players and spectators alike," Hess announced plans to move to the Meadowlands prior to the 1984 season. As a result, during the last nine seasons, thousands of additional Jets fans have had the opportunity to watch NFL football in comfort and safety, in modern, clean surroundings, with proper facilities, adequate parking and good football sightlines.

In addition, Hess has continued to provide the Jets players and staff with outstanding facilities by building an ultra-modern locker room at the Meadowlands and by improving the Weeb Ewbank training complex at Hofstra University with a new AstroTurf field, a new locker room and weight room and additional offices.

In 1995, Hess was introduced by Joe Namath as he was inducted into the New Jersey Sports Hall of Fame along with Giants owner Wellington Mara, former Giants All-Pro tackle Al De Rogatis and

HESS (continued)

former Rutgers FB Paul Robeson. In 1983, Hess was an honored recipient of the Distinguished American Award at the National Football Foundation and Hall of Fame dinner. He joined an impressive list of past winners including Vince Lombardi, Bob Hope, Jimmy Stewart, Bill Carpenter and Fr. Theodore Hesburgh.

Hess, the long-time Chairman of the Board of the Amerada Hess Corporation, handed over the reins of the company to his son John last year, and now holds the title of chairman of the executive committee. Hess started building Amerada Hess from his father's two-truck heating oil delivery business during the 1930's, and took over daily operations of the company after a stint in the Army during World War II where he was responsible for supplying fuel to General George Patton's troops. From those humble beginnings he built a multi-billion dollar oil and gas company with refineries located around the world. He has been the sole owner of the Jets since 1984 and has been actively involved in the development of the club since acquiring part of the franchise in 1963.

HOW THEY BECAME THE JETS

On March 28, 1963 a five-man syndicate composed of David A. (Sonny) Werblin, Leon Hess, Townsend B. Martin, Donald C. Lillis and Philip H. Iselin purchased the New York Titans of the American Football League for the price of \$1 million.

Less than a month later, on April 15, Werblin, the team's president and CEO renamed the team the "Jets". The reasons were twofold. At the time, the United States was entering the "space" or "Jet Age". Commercial airlines were filling the air and soon there would be men walking on the moon. Also, the Jets new stadium, Shea Stadium, would be located in Flushing Meadows, NY between LaGuardia and Idlewild (later renamed John F. Kennedy Airport) Airports. Hence the name, New York Jets.

STEVE GUTMAN

President

As president of the Jets Steve Gutman has been a key figure in turning the team's fortunes around while also helping to set the path for the future of the NFL. Not only has he been instrumental in the Jets pursuit of veteran players, but he has played a vital role in negotiating the NFL's Collective Bargaining Agreement as a member of the NFL Management Council's Work Group.

Under the direction of Chairman of the Board Leon Hess, Gutman and head coach Rich Kotite, aided by Dick Haley, James Harris and Pat Kirwan, set their sights on improving the Jets.

In an offseason described by the *Sporting News* and *Pro Football Weekly* as the most productive in the NFL, the Jets signed several high-profile free agents including Neil O'Donnell, Jumbo Elliott, David Williams, Jeff Graham and Frank Reich while also signing RB Adrian Murrell to a long term deal and re-signing DE Marvin Washington, thus keeping one of the NFL's top defenses intact for the coming season.

Gutman, who works closely with Hess, was named president on June 14, 1988. He has been with the Jets since 1977. His first 11 seasons were spent serving as the corporate treasurer-secretary and administrative manager. In that role he supervised the daily operation of the club and served on the Board of Directors. He also directed all the Jets fiscal operations including player contract negotiations, tickets and marketing. Gutman has added the responsibilities of the presidency while still directing all of the fiscal and daily operations of the club.

Gutman has been a respected figure around NFL circles. In 1991, he was appointed by Paul Tagliabue to the Management Council Work Group. He served as an economic consultant to the NFLMC during the 1982 collective bargaining sessions with the NFLPA. He is also a member of the players pension plan committee. He has been involved in community and charity projects, and his efforts were recognized in 1994 when the Cystic Fibrosis Foundation honored him as the recipient of the 65 Roses Award for his part in the Jets fight against CF. This past offseason he was honored by the American Red Cross for his charitable efforts.

Prior to joining the Jets in 1977, Gutman had extensive experience as a financial consultant in areas of securities, research, sales, underwriting, investment banking and management.

Gutman received his BS in accounting and MBA in corporate finance from New York University. He was born January 24, 1935 in the Bronx, NY. He and his wife Carol have three children, sons Fred and Rob and daughter Elise.

RICH KOTITE

Head Coach

"It started with the commitment from Leon Hess and Steve Gutman and it moved on to a plan that we established together with Dick Haley, James Harris and Pat Kirwan. In a very short amount of time we identified how to best address our needs and then we filled them," said Rick Kotite, who begins his second year as head coach of the New York Jets.

The Jets struggled in Kotite's first season, but they are preparing to take flight under his tutelage in 1996. The offseason was a carefully planned success. Bold moves were made by Hess, Kotite and Gutman along with Haley, Harris and Kirwan to revitalize the offense and to keep the defense together.

Free agent stars like quarterback Neil O'Donnell, wide receiver Jeff Graham and tackles Jumbo Elliott and David Williams were all signed on, and will team with #1 draft choice, All-America wide receiver Keyshawn Johnson, under the guidance of newly-hired offensive coordinator Ron Erhardt.

"The offseason was a tremendous boost for us," said Kotite. "We came from way back and made some very positive strides. We identified the problems early on, and certainly filled a lot of the needs we had.

"We maximized all of our opportunities," Kotite continued. "We've seen them come to fruition. We did all we could have hoped for in the time we had this offseason. Now we have to bring it all together and go to work."

The defense worked itself into one of the strongest units in the NFL in 1995.

"I have always been an offensive coach, but it has always been my belief that defense wins championships," says Kotite. He held true to his word as the Jets led the NFL in pass defense (171.3 ypg) and ranked 3rd in the AFC and 6th in the NFL in total defense, allowing just 297.3 yards per game.

With every defensive starter returning, and the influx of talent on the offensive side of the ball, the Jets are building towards respectability again.

KOTITE *(continued)*

"Rich is a fighter. He's a builder. He's a leader. He's going to do a great job in bringing our New York Jets back to where we'll all be proud of them," said Hess who named Kotite the 10th full-time head coach in club history on Jan. 5, 1995.

A native of Brooklyn, Kotite came to the Jets in 1995 after spending the previous five seasons with the Philadelphia Eagles, the last four as head coach. He was hired by Buddy Ryan as offensive coordinator in 1990, and was named Ryan's successor as head coach prior to the 1991 season, compiling a 36-28 regular season record in his four seasons at the helm.

In his rookie campaign, Kotite led the Eagles to a 10-6 record, only narrowly missing the playoffs despite a season-ending injury to QB Randall Cunningham on opening day. The following season the Eagles earned an 11-5 mark and an NFC playoff berth. Kotite's finest accomplishment came in those playoffs when he led the Eagles to a 36-20 come-from-behind win over New Orleans in the NFC Wild Card Game, the first postseason victory for an Eagles team since 1980.

"Rich Kotite is coach of the New York Jets and head of the New York Jets family," said Hess. "He, in my opinion, is one of those men who can make a winning team out of the Jets."

"My philosophy is very simple," said Kotite. "I don't have all the answers. But I do know one thing, with the way the NFL is today, if you have a team that is prepared and it plays for 60 minutes and plays as hard as it can, you always have a chance to succeed and most of the time you will.

"I believe in setting high standards for myself and for our football team and I believe you can't accept anything less. The only way to accomplish winning is for everybody to be on the same page, not just with the football team, but within an organization."

As offensive coordinator in 1990, Kotite headed a unit that led the NFL in rushing and time of possession and led the NFC in scoring and touchdown passes. Kotite's system enabled Cunningham to rank among the league leaders in passing and rushing, and rookie receivers Calvin Williams and Fred Barnett to combine for 17 TD catches.

This is the second stint with the Jets for Kotite, 52, who served as the team's receivers coach from 1983-85 and offensive coordinator/receivers coach from 1986-1989 under head coach Joe Walton. The Jets attack was among the AFC leaders in total offense every year, including a 3rd place ranking in 1985. He is also credited with the development of Pro Bowlers, WR Al Toon and TE Mickey Shuler.

"I'm very rarely at a loss for words, but this is a dream come true," said Kotite. "To be able to come home and come home to the Jets family, because I really always felt like I was a part of it and the atmosphere that's created here. It starts with Mr. Hess and Steve Gutman and everybody else. It's something that you don't forget and sometimes when you're not here, you realize how much you cherish it."

Prior to joining the Jets, Kotite spent five seasons as the receivers coach for the Cleveland Browns under Sam Rutigliano after beginning his pro coaching career under head coach Hank

KOTITE *(continued)*

Stram at New Orleans in 1977.

During his NFL playing career, Kotite played tight end and excelled on special teams with the Giants (1967, 1969-72) and the Pittsburgh Steelers (1968).

A graduate of Poly Prep High School in Brooklyn, he went on to a brief boxing career at the University of Miami where he became the school's heavyweight champ, and then earned Little All-America honors as a tight end at Wagner College in Staten Island.

Kotite and his wife Elizabeth have a daughter Alexandra, 19. The family was honored in 1992 by the New York Catholic Archdiocese as the "family of the year". Kotite has been very involved in civic and charitable activities in New York, New Jersey, Connecticut and Pennsylvania. An avid golfer, he has served as celebrity chairman of several tournaments, most notably, the annual New York Telephone/March of Dimes Golf Tournament in Staten Island for the past seven years, an event that has raised over \$850,000.

COLEMAN (continued)

game, starting 3 at SS...finished the season with 30 tackles, 2 tackles for a loss, 2 INT, 4 passes defended, 1 FR and 3 blocked kicks...recorded 4 tackles and returned his 1st career INT 65 yards for a TD vs. Wyoming...blocked an extra-point attempt vs. Oklahoma in his 1st game as a Red Raider...133rd selection overall, 25th DB.

PERSONAL: Single...communications major...earned All-SWC honors as a member of the Red Raiders track team, competing in the triple jump (49' 3")...has worked as a detailer for a local Dallas Mercedes dealer...was all-district football selection as a senior and a 2-time all-city pick as a S and was the district triple-jump champion as a senior at Lake Highlands High School in his hometown and birthplace of Dallas, TX.

Some of our scouts had a real good feel for this guy. They thought he was a legitimate candidate to come in and potentially be a starting safety in the league. We were very impressed with what we saw on tape of both his play in the regular defense and on special teams. He did an outstanding job. He's big, he's got good speed, he's a good athlete and he lasted longer than we thought he was going to last. We think he's got a chance to be real good.

—Jets director of player personnel Dick Haley

We asked him to do a lot of things that are so hard to do. But he is such a good athlete, that he is able to do them. Playing the Raider position is like playing a combination of SS and LB. He has to support the run and is also responsible for covering WR, TE or RB on passing plays. He was one of the reasons why we eventually went to that defense.

—Texas Tech head coach Spike Dykes

I dream about playing MLB and playing man-to-man, playing CB and playing S. My position in college was all of that wrapped into one. You got to do anything you wanted to do. I helped out where I needed to help out.

—Coleman on the 'Raider' position

games as a reserve OLB and on special teams...**1991**: redshirted as a freshman.

PERSONAL: Single...son Chris Jr., 1...majored in marketing... carried a 3.3 GPA at Washington State...team MVP, all-conference and All-Los Angeles Area football selection as a defensive back and lettered in basketball at San Geronio High School in his hometown and birthplace of San Bernardino, CA.

Chris was an outside LB who we have projected as a strong safety. We worked him out as a defensive back and liked the potential he has shown. In college, he played up on the line of scrimmage a lot and then dropped into coverage. He's a guy who can play in this league with today's defenses.

—Jets director of player personnel Dick Haley

Here's a kid who was a weak OLB in a 4-3 defense that they put there because of his speed and his hitting ability. He had been a defensive back and they moved him up because he is such an active player. He's got speed and he's a hitter.

—Jets talent scout Marv Sunderland

Hampton

Draft 6, 1996

COLLEGE: A relentless pass rusher who holds the Pirates career (44) and single-season (19) sack records...also recorded 192 career tackles and 57 tackles for a loss...a team captain as a senior, he helped lead the Pirates to a 39-7-1 record and 3 MEAC championships in 4 seasons...**1995**: was a 1st-team Division I-AA All-America selection by AP and All-MEAC 1st-team pick...was a finalist for the Buck Buchanan Award given to the top defensive player in NCAA Division I-AA...led the MEAC with 16 sacks for 130 yards...also had 75 tackles and 21 stops for a loss, 3 FR and 1 pass defensed...had 8 tackles and 3 sacks for -41 yards vs. Elizabeth City State...recorded 6 tackles and 4 sacks vs. Norfolk State...**1994**: named 3rd-team All-America by AP and earned All-CIAA 1st-team honors...was named Virginia Defensive Player of the Year...started every game, setting a school record with 19 sacks...also had 63 tackles, 27 tackles for a loss, 4 passes defensed and 1 FF...turned in a 10-tackle, 4-sack performance vs. Elizabeth City State...had 7 tackles and 3½ sacks and had 1 FF vs. Norfolk State...**1993**: moved to DE from OLB and finished 5th on the team with 49 tackles...had 9 sacks and 9 tackles for a loss...**1992**: played in 5 games as a reserve OLB...finished the season with 5 tackles...**1991**: redshirted as a freshman...168th selection overall, 20th DE.

PERSONAL: Single...majored in criminology...grandfather played with DEN for 2 seasons...has been very active in community activities, especially the Fellowship of Christian Athletes and Big Brothers/Big Sisters...was an all-district and All-Tidewater selection as a NG and TE at Wilson High School in his hometown and birthplace of Portsmouth, VA.

His size and speed might not excite anyone, but I think it's the quickness that we saw that made him so impressive. You get a guy who's a little bit undersized, but he's got a special quickness or a special ability to get off blocks, and with the number of sacks that Hunter had, he's got some special skills in that area.

—Jets director of player personnel Dick Haley

JOHNSON *(continued)*

meters (47.69) and the long jump (24' 6¼")...was an all-state football selection as a senior at Dorsey High School in his hometown and birthplace of Los Angeles.

Keyshawn Johnson was far and away our top-rated college player, and to get the number 1 college player to fill our number one need was an easy fit. We're pleased to have him. I think the whole country knows what type of player he is. He certainly will bring a lot to the Jets. He's a big-play, impact player and with the players we have on the team now, I think he's going to fit in well and make us a better football team.

—Jets head coach Rich Kotite

He's just an animated player. He has great hands. He has great vision. He has a great run after the catch. He's tough and durable. He's an outstanding blocker. He's a game-breaker. He really is the total package as far as we're concerned.

—Kotite

He's a force every time he lines up. They talk about guys being a complete player. He's a complete player. He doesn't take any plays off. He has a motor that's running all the time. He's someone that you have to pay a lot of attention to defensively or he's going to make the big play, the big catch, and he thrives in those situations. I like people who want the ball in tough situations. He's made the difference before and he wants to make the difference now.

—Kotite

Thanks to today's modern technology, we watched every pass that was thrown to Johnson over 2 years. We had 9 scouts in the room at that time, and each guy, there was no hesitation, thought that this was as good a wide receiver as they've seen coming out of college. We haven't had that kind of an opinion on a player in a long time.

—Jets director of player personnel Dick Haley

This is a guy who has exceptional ability and exceptional size. He's got a great attitude and he likes to play the game. He has very good hands, body control, exceptional instincts, he gets open and comes back to the ball. All the little things, he does them right. He makes the catches in traffic, which in today's game you have to do. I don't see any limitation. He runs fast enough. He's big and strong, and he's smart. He can be as good as he wants to be.

—Haley

I think he will be a pro bowl receiver. I think Keyshawn may be (special).

—Miami Dolphins head coach Jimmy Johnson

He's going to be an outstanding player in this league. He makes plays in critical situations and that's the most important thing.

—Washington Redskins general manager Charlie Casserly

In his college career, he played well in big games. He's a powerful runner after the catch, and with everyone looking for mismatches, he gives you that. He's a very impressive young man.

—Jacksonville Jaguars vice president of football operations Michael Huyghue

He is one of the greatest football players I have ever been around, and one of the greatest for rising to the occasion. Everything about him is fabulous. He is a great player and a special kid—in the same category as Marcus Allen and Ronnie Lott—players who impact the team on and off the field. He is a team guy with a strong competitive desire to make plays in critical situations. He's very mature and just a great kid. There's something magical about him. I predict he will be the mayor of Los Angeles in the year 2020.

—USC head coach John Robinson

He's great to coach. He does everything he can to be good. He has good football smarts and he studies other receivers like Jerry Rice and Michael Irvin. He is very physical and very confident and his major goal is to win.

—USC WR coach Mike Sanford

We felt very strongly about Mickens. He's very aggressive and is an excellent man-to-man coverage guy. He's an excellent tackler and has a great nose for the ball. He plays bigger than his size and plays very well against bigger receivers. We feel he has starting ability.

—Jets head coach Rich Kotite

Chuck Noll always used to say, "don't tell me how big they are, tell me how good they are." I think that rings true for Ray Mickens. He's got great quickness. In their (Texas A & M) drills he was quicker than Aaron Glenn, which is hard for me to visualize because Aaron is quick as can be. He's tough, aggressive and he knows how to play. I'm personally very excited about having him here. We think he's got excellent cover ability, and he's good enough that, regardless of his height, you're going to be happy with the way he plays football.

—Jets director of player personnel Dick Haley

You like to coach a guy like Ray Mickens. Ray challenges receivers. He's always eager to be out on the field playing. He had a chance to play early and worked hard to get better. He worked on knowing more about football than anyone on the team. He was great for us.

—Texas A & M head coach R.C. Slocum

He's a tough guy, a great competitor. The NFL guys will see that. They will look at his size, but you can't underestimate his heart and his fight. That's why he'll make it at the next level.

—Texas A & M secondary coach Larry Slade

He's impressed a lot of scouts with his aggressiveness, his technique and his ability to cover. His lack of height is a negative, but I don't think that's much of a deterrent, because he's so tenacious. He's not tall, but he plays big.

—former A & M secondary coach and current Minnesota Vikings secondary coach Trent Walters

I have to have confidence, especially going man-to-man. If a receiver is faster, bigger or stronger than you are, you have to be confident you can cover him. I also still believe that better technique makes me as good as bigger guys.

—Mickens on confidence and ability making up for lack of height

I think with this young man we're getting someone special. Most people don't know who he is because he didn't play for a big-name program. He's 200 pounds, he's very strong, he ran a 4.5 on grass in poor conditions and he is a playmaker, a big playmaker. When you're evaluating a position like this I think production is one of the most important things. He's done about everything that he could do at his school and with his career. He can come in here and really contribute.

—Jets head coach Rich Kotite

Alex has exceptional production. I don't know if anyone has ever caught more passes, regardless of where they were playing. I worked him out myself out there, in poor conditions and he didn't drop a ball. He can run, he can catch, he's strong and he can run after the catch. He should be a real good receiver.

—Jets director of player personnel Dick Haley

He's been very, very special in our program. We've had some great, great receivers here, but he is the best that I've ever had the privilege of coaching.

—Nevada head coach Chris Ault

1995 GAME-BY-GAME SUMMARY

SEPTEMBER 3, AT MIAMI 52, JETS 14 (71,317)

Mostly sunny, hot. The Rich Kotite era debuted in a somber fashion as the Jets fell to a Dolphins team that was favored by many to represent the AFC in the Super Bowl. In a game marred by turnovers (6 by the Jets and 4 by MIA), the teams were scoreless through the 1st quarter. But, just 49 seconds into the 2nd stanza, the Dolphins opened the scoring on a 24-yard run by Bernie Parmalee. Dexter Carter fumbled the ensuing kickoff, which the Dolphins recovered at the NY 17, and 3 plays later Dan Marino and Irving Fryar connected on a 4-yard TD pass for a 14-0 lead. The Jets fought back, scoring on a 3-yard fumble return by DT Matt Brock. Three possessions later Otis Smith intercepted a Marino pass setting up a 31-yard TD drive that culminated in a game-tying 6-yard TD pass from Boomer Esiason to the newly acquired WR Charles Wilson. The Dolphins scored once more before the half on a Keith Byars run, and went on to score 38 unanswered points. There were several "firsts" for the Jets besides the TD for Brock and Wilson. Wayne Chrebet, the rookie FA from Hofstra, got his 1st NFL start and 1st career reception, finishing the day with 3-43 receiving. First round selection Kyle Brady also got his 1st start in the Jets 2-TE offense and was 3-39 receiving. Adrian Murrell came off the bench and led the team in rushing (10-47) and receiving (7-52).

SEPTEMBER 10, INDIANAPOLIS 27, AT JETS 24 OT (65,134)

Clear, warm. The Jets jumped out to a 24-3 lead in their home opener, but couldn't hang on as the Colts came back to tie the game at 24-24 with just 2:38 remaining in regulation. Indianapolis then won the game in overtime on Mike Cofer's 52-yard FG. Boomer Esiason threw TD passes to WR Charles Wilson and Wayne Chrebet, Otis Smith returned his 2nd INT in 2 weeks 49 yards for a TD and Nick Lowery added a 28-yard FG as they gained a 3-TD lead in the 3rd quarter. But DE Tony Bennett returned a Ronald Moore fumble and backup QB Jim Harbaugh led TD drives of 80 and 75 yards to tie the game. The Jets won the coin toss prior to the overtime period and elected to receive, but were unable to move the ball, and Cofer connected on his FG on the Colts next possession.

SEPTEMBER 17, AT JETS 27, JACKSONVILLE 10 (49,970)

Mostly cloudy, warm. The Jets jumped out to an early lead and finished strongly to defeat the Jaguars at home. Boomer Esiason led the Jets on a 60-yard, 9-play drive to open the game, throwing the 1st of his 3 TD passes to Wayne Chrebet, who caught his 2nd TD in as many games. Esiason also connected on scoring plays with Charles Wilson (his 3rd in 3 games) and Kyle Brady (his 1st NFL TD) while moving into 14th place on the NFL's all-time TD passes list. Chrebet's career-high 7 catches led the team. Fred Baxter, who started in the 2-TE set due to Johnny Mitchell's injury (back), had a career day with 6-99 receiving, including a career-long 30-yard reception. The running game was placed squarely on the shoulders of FB Brad Baxter who responded with his best game since the end of the 1993 season with 18-64 rushing. The defense responded as well with 6 sacks, 3 by rookie DE Hugh Douglas (including his 1st career NFL sack). Gang Green also forced 3 turnovers that led to 10 points. Otis Smith intercepted his 3rd pass in 3 games and Bobby Houston recovered 2 fumbles. On special teams, Brian Hansen placed 3 punts inside the 20. New York led 13-3 at the half, then scored 14 3rd-quarter points before allowing a Jaguar TD with just over 1:00 remaining in the game.

SEPTEMBER 24, AT ATLANTA 13, JETS 3 (40,778)

indoors. The Jets failed to take advantage of several scoring opportunities, and despite a strong defensive effort, fell to the Falcons. The defense held the Falcons run-and-shoot offense, ranked 6th in the NFL and 2nd in the league in passing, to just 13 points and 200 passing yards. CB Otis Smith intercepted his 4th pass in as many games to stop 1 1st quarter drive, and Donald Evans recovered an ATL fumble at the 4-yard line to prevent a 2nd-quarter score. The story on offense was turnovers. Boomer Esiason's 3 INT and a fumble by Richie Anderson at the goal line led to only 3 of Atlanta's points, but ended Jets drives at the A 1, A 1, A 6 and the A EZ. Despite the giveaways, the Jets kept it close right to the very end. Morten Andersen and Jets kicker Nick Lowery exchanged 37-yard FG in the 1st quarter. The Falcons then put together a 62-yard TD drive, thanks largely in part to a 22-yard pass interference call, culminating in a 4-yard pass from Jeff George to Bert Emanuel. Anderson added a 3rd quarter FG before the Jets made 2 4th-quarter drives inside the A 5 that ended with Anderson's fumble and Esiason's final INT.

OCTOBER 1, OAKLAND 47, AT JETS 10 (68,941)

Clear, cool. The Raiders scored on their 2nd and 3rd possessions of the game to take a 14-0 1st quarter lead and never looked back as they defeated the Jets at home before a national TV audience. The New Yorkers were outplayed in every facet of the game. On defense they allowed 6 TD (1 was set up by a fumbled PR at the NY 16), and 457 total yards, including 220 on the ground for a 5.2 yard average per carry. On the other side of the ball it was turnovers that again killed the Jets, 2 fumbles in addition to the PR miscue that led to a total of 17 Raider points. They gained just 94 yards rushing and converted only 15% of their 3rd downs. Oakland scored 17 2nd quarter points to take a 31-3 lead into the locker room at halftime. The Jets then drove 71 yards on the opening drive of the 2nd half to cut the lead to 31-10, before the Raiders added another 16 points to end the scoring. The Jets lone bright spot was RB Adrian Murrell, who made his 1st NFL start and responded with a career-high 16-95 rushing.

OCTOBER 8, AT BUFFALO 29, JETS 10 (79,485)

Cloudy, cool. The Jets losing streak was extended to 3 games as they bowed to Buffalo 29-10. They shot themselves in the foot at 2 key junctures in the game and paid the price. The first came with only :24 remaining in the half and the Jets trailing 9-3. Dexter Carter fumbled a kickoff and Buffalo recovered at the NY 15 and scored on the next play to take a 16-3 lead into the locker room. Playing without QB Boomer Esiason (concussion), the Jets pulled to within 16-10 on a Bubby Brister to Wayne Chrebet TD pass. Another FG gave the Bills a 19-10 advantage, and the Jets were set to close the gap to 19-13 when a low snap caused Nick Lowery to miss a 33-yard FG. The Jets could not recover and the Bills added another TD and their 5th FG for the victory. Esiason was lost on the 4th play of the 2nd quarter after being knocked unconscious by a Bruce Smith hit. Brister was 13-23-112-1-1 in relief.

OCTOBER 15, AT CAROLINA 26, JETS 15 (52,613)

Sunny, warm. It was a key turnover that did the Jets in again as they lost to the Panthers at Clemson Memorial Stadium. With only 26 seconds remaining in the 1st half, a Bubby Brister shovel pass was intercepted by LB Sam Mills, who returned it 36 yards for a TD and a 13-12 Carolina lead. It was a defensive struggle for most of the afternoon. New York's "D" provided several big plays, including a safety by Erik Howard, an INT returned for a TD by Mo Lewis, and a Hugh Douglas FR and Vance Joseph INT that led to 50 and 39-yard FG by Nick Lowery. A blocked punt on the Jets 1st series led to a 3-0 Panther lead. The Jets then cut the lead to 3-2 on Howard's safety, and took the lead on Lowery's 50-yarder. The lead was increased to 12-3 on Lewis' INT return before a 39-yard FG and Mills' INT return gave the Panthers a 1 point edge heading into halftime. The Panthers scored the only offensive TD of the game in the 3rd quarter, and added a 40-yard FG in the 4th to lead 23-12. Douglas then set up Lowery's 39-yard FG to cut the deficit to 8 before Carolina added another FG for the final tally.

OCTOBER 22, AT JETS 17, MIAMI 16 (67,228)

Sunny, mild. The Jets overcame a 9-0 halftime deficit to defeat the Dolphins and end their 4-game losing streak. Miami built a 9-0 lead on 3 FG in the 1st half. The Jets closed the gap to 9-7 when Dexter Carter opened the 2nd half with a 57-yard kickoff return, setting up a Bubby Brister to Wayne Chrebet TD pass of 12 yards. Mo Lewis then intercepted his 2nd pass in as many games, setting up Nick Lowery's 50-yard FG and giving the Jets a 1-point lead. It was short-lived, though, as Miami recovered a Johnny Mitchell fumble at the Jets 39-yard line and scored 3 plays later for a 16-10 lead. Carter returned the ensuing kickoff to the Jets 39-yard line, and the offense drove 61 yards, including 33 total yards by Adrian Murrell, and a 16-yard reception by Chrebet that set up a 3-yard TD pass to Mitchell. With 13:05 remaining and a 1-point lead, the defense took over forcing Miami into a punt, a fumble and 2 INT in their final 4 possessions. For the day, the defense had 3 INT, 1 FR and 3 sacks and surrendered only 174 yards passing.

OCTOBER 29, AT INDIANAPOLIS 17, NEW YORK 10 (49,250)

Indoors. The Jets put forth a strong defensive effort, allowing just 114 total offensive yards and 10 1st downs to the Colts, but it wasn't enough to overcome 1 big play by the IND defense. Trailing 10-3 with 4:16 remaining in the 1st half, the Jets drove 52 yards in 12 plays to set up a 2nd-and-goal at the 12 with :08 remaining. Brister's pass on the ensuing play was intercepted at the 3-yard line by Eugene Daniel, who returned it 97 yards for a TD to give the Colts a 17-3 halftime lead. The Colts would not score again as the defense held them to 3 total yards in the 2nd half. The Jets offense closed the gap to 17-10 at the beginning of the 4th quarter on a 13-yard TD pass from Brister to Johnny Mitchell. On their final possession of the game, the Jets drove to the 17, but could not score on the ensuing 4 plays. Nick Lowery became only the 3rd player in NFL history to surpass the 1600-point mark when he opened the scoring with a 42-yard FG. The Colts answered with a 46-yard FG by former Jet Cary Blanchard and a 4-yard TD run by Jim Harbaugh to gain their 10-3 advantage. Mo Lewis and Hugh Douglas both had 2 sacks in the game. Douglas' 2 sacks gave him a NFL-high 9, breaking the Jets rookie record (8) held by Joe Klecko.

NOVEMBER 5, NEW ENGLAND 20, AT JETS 7 (61,462)

Sunny, cool. The Jets couldn't get their offense or defense going enough to beat the Patriots at the Meadowlands. The defense, coming off 2 consecutive strong performances, struggled, yielding 345 total yards, 172 on the ground. They allowed scoring drives of 49, 59 and 63 yards and forced just 1 turnover. It was a significant one, coming at the Jets' 1-yard line after a Dexter Carter fumble gave the Patriots the ball at the Jets 17. The offense continued its struggles, but caught fire a little bit when Glenn Foley took the controls from Bubby Brister mid-way through the 2nd quarter. The much awaited debut of the 2nd-year QB looked promising after he led a 99-yard TD drive in the 4th quarter, but his season was ended on the Jets' final offensive play when he suffered a dislocated shoulder that required surgery.

NOVEMBER 19, BUFFALO 28, AT JETS 26 (54,436)

Overcast, cool. The Jets made a furious 2nd-half run at the Bills, but failed on a 2-point conversion pass that would have sent the game into overtime at the Meadowlands. The Jets opened the scoring with a 30-yard Nick Lowery FG on their opening drive, but Buffalo answered with 2 Jim Kelly to Bill Brooks touchdown passes and a 12-yard scoring run by Thurman Thomas. Trailing 21-3, the Jets came out of the locker room and drove 63 yards in 3 plays, scoring on a 43-yard Boomer Esiason to Johnny Mitchell pass. After an Esiason INT on the Jets next possession, Buffalo added another TD for a 28-10 margin. New York then began their comeback, scoring on Lowery's 2nd FG of the day, a 35-yarder, on the next possession. Esiason then led the offense on a 58-yard, 11-play drive that culminated in a 6-yard scoring pass to Fred Baxter. The Jets gave up the ball on downs on their next possession, but the defense forced the Bills to punt twice, the 2nd of which went out of bounds at the 1-yard line. With no timeouts and 1:47 on the clock, Esiason, who was 5-7 passing on the drive, moved the team 99 yards, scoring on a 41-yard "Hail Mary" pass that was deflected to Adrian Murrell who took it in for the score. Esiason, who returned to the lineup for the 1st time since suffering a severe concussion on October 8th at Buffalo, was 43-24-312-3 TD-2 INT, 29-17-251 in the 2nd half.

NOVEMBER 26, JETS 16, AT SEATTLE 10 (41,160)

Indoors. A strong defensive effort, a career day by Adrian Murrell and the play of the special teams sparked the Jets to a 16-10 win on the road against the Seahawks. The defense kept Seattle in check all day, allowing just 192 yards of total offense and forcing 3 turnovers on the Seahawks first three possessions. They then forced Seattle to punt on the next 6 possessions.

The defensive unit also produced three sacks, allowed just 74 rushing yards to the 2nd-ranked rushing team in the NFL and held AFC Rookie of the Year candidate Joey Galloway to just 3-24 receiving. On special teams, Brian Hansen (49.5 yard average) and Chad Cascadden (5 tackles) helped to neutralize Galloway's return game, and Nick Lowery connected on 3-4 FG attempts. Adrian Murrell led the offensive effort with his 1st career 100-yard rushing game and added a career-high 7 receptions for 37 yards. The Jets jumped on top early, capitalizing on Lonnie Young's recovery of a Rick Mirer fumble on the 3rd play from scrimmage, with a 2-yard TD run by Murrell. Lowery added FG of 38 and 33 yards to give the visiting New Yorkers a 13-0 halftime lead. The Seahawks fought back in the 3rd quarter with their only sustained drive of the game, a 71-yarder that culminated with a 6-yard strike from Mirer to Mack Strong. Seattle cut the lead to 13-10 on a 42-yard FG that was set up by a Boomer Esiason interception. The Jets answered with a 13-play, 56-yard, 7:21 drive that saw Lowery convert a 41-yard FG attempt for a 16-10 4th quarter margin. The defense held and the Jets ran out the last 3 minutes of the game for the victory.

DECEMBER 3, ST. LOUIS 23, AT JETS 20 (52,023)

Sunny, mild. The Jets put forth a courageous defensive effort, but it wasn't enough for the win as a late offensive rally fell short against the Rams at the Meadowlands. The Rams were shut down for most of the game by a swarming Jets defense that recorded 4 sacks and forced 4 turnovers that led to 10 points. Playing without several key players due to injury (Douglas, Casillas, Barber) and the loss of Marvin Washington, who was ejected from the game, the defense held St. Louis to 210 total yards, including just 76 rushing yards. The Rams opened the scoring on a 1st-quarter TD pass from Chris Miller to Troy Drayton. Gary Jones put the Jets on the board just before halftime when he returned his 2nd INT of the day 49 yards for a TD. The Jets took the lead briefly on Nick Lowery's 34-yard FG in the 3rd, before Issac Bruce scored the 1st of his 2 TD on a 1-yard pass from Mark Rypien for a 14-10 Rams advantage. The Jets pulled to within 1 on Lowery's 23-yard FG, but looked to be out of the race when the Rams answered with an 11-yard Rypien to Bruce TD strike and a safety by Kevin Carter. Still the Jets fought back. The offense, which had struggled most of the day, took advantage of Jeff Sydnor's 19-yard punt return and scored on a 23-yard pass from Boomer Esiason to Charles Wilson with 4:51 remaining in the game. The defense held once again, giving the ball to the offense at the NY 20 with 2:51 to play, but they gave up the ball on downs to seal the game. Of note for the Jets was Wayne Chrebet's career-high 8-98 receiving, thus breaking Al Toon's team record for receptions in a season by a rookie wide receiver (46 in 1985).

DECEMBER 10, AT NEW ENGLAND 31, JETS 28 (46,617)

Clear, windy and cold. The running of Curtis Martin and a 'freak' play on special teams combined to do in the Jets as they fell just short in Foxboro. After the Jets took a 21-17 lead with 5:58 remaining in regulation on a 3-yard pass from Boomer Esiason to Adrian Murrell, Dave Meggett fumbled the kickoff return and the ball bounced loose about five yards behind the pile where it was picked up by teammate Troy Brown. He returned it 75 yards for the go-ahead TD. On the next play, Esiason's pass went off Brad Baxter and was intercepted by Ty Law, leading to another NE TD five plays later. Down 31-21, the Jets moved back down the field, closing the gap to 31-28 on Ryan Yarborough's 2nd TD of the day, a 3-yard pass from Esiason. That combination had given the Jets an early 7-0 lead when they connected on a 31-yard scoring play in the 2nd quarter. Esiason threw 4 TD passes on the day, the other being a 3-yard pass to Johnny Mitchell, who along with Yarborough, had the 1st 100-yard receiving days of the year for the Jets (Mitchell 9-108-1 TD - Yarborough 6-105-2 TD). Another bright spot for the offense came when Wayne Chrebet caught his 4th pass of the game giving him 57 for the season, breaking a 31-year old record for receptions by a Jets rookie (Matt Snell - 56 in 1964).

DECEMBER 17, AT HOUSTON 23, JETS 6 (35,873)

Indoors. For the 3rd consecutive year the Jets dropped their final road game of the year at the Astrodome. In what could be the final game in that building, the Jets defense played well but couldn't make up for an inept offensive effort. Rookie QB Steve McNair threw a 35-yard TD pass in his 1st NFL start and Al DelGreco kicked FG of 53 and 49 yards to give Houston a 13-0 halftime lead. Meanwhile, the blitzing Oiler defense caused havoc on the Jets offensive line as the visitors gained only 13 total yards in the first half. After a scoreless 3rd quarter for both teams, the Oilers struck again against a worn out Jet defense that spent 35 minutes on the field. DelGreco added a 24-yard FG and Marion Butts ran for a score before Johnny Mitchell put the Jets on the board with a 17-yard scoring reception on a pass from Boomer Esiason.

DECEMBER 24, NEW ORLEANS 12, AT JETS 0 (27,143)

Sunny, cold. The Jets defense held the Saints to just 239 total yards and 40 yards rushing, but the offense could not produce enough for the win. The Saints took a 3-0 lead in the 1st quarter after driving 51 yards on their first possession. A blocked punt and an interception gave the Saints two golden scoring opportunities in the first half, but they were unable to capitalize, missing two FG. The Jets also blew a scoring opportunity at the end of the half when Hugh Douglas blocked a New Orleans punt, giving the Jets the ball at the Saints 20 with :37 remaining. On the next play, Bubby Brister, who replaced an ailing and ineffective Boomer Esiason, had his pass intercepted to end the threat. New Orleans added a 3rd-quarter FG and a TD pass in the 4th quarter (2-point conversion failed) to round out the scoring.

HALL OF FAMERS

WEEB EWBANK

**HEAD COACH (1963-73)
GENERAL MANAGER (1963-74)**

Weeb Ewbank is the only head coach to build 2 teams from their inception into world champions and was inducted into the Pro Football Hall of Fame on July 29, 1978. Upon his retirement, Ewbank ranked 4th on the all-time coaches victory list with 130. He is the only coach ever to win World Championships in both the NFL (Baltimore 1958-59) and AFL (New York 1968). Two of the most important games in NFL history were the sudden death victory in the 1958 championship, and the Super Bowl III win by the Jets.

Ewbank joined the Jets in 1963 as head coach and GM after serving as head coach of the Colts from 1954-1962. The New Yorkers shocked the world by defeating Ewbank's former team, the Colts 16-7 (the 1st victory for the AFL in the Super Bowl).

Ewbank coached the Jets through 1973 before retiring. He has worked with some of the game's greatest legends including Joe Namath, Don Maynard, Paul Brown, Otto Graham, Johnny Unitas and Raymond Berry.

JOE NAMATH

QUARTERBACK (1965-76)

Joe Namath, "superstar", is an apt description for this Jets quarterback. He was a player who transcended the playing field to become a household name and put a whole league on the map, the AFL. Namath enjoyed a sparkling career and led the Jets to what experts call one of the greatest upsets in sports history when he guided the team to a 16-7 win over the Baltimore Colts in Super Bowl III on Jan. 12, 1969.

Despite having five knee operations, Namath was one of the game's great quarterbacks and one of its most prolific passers. He was the first player to throw for more than 4,000 yards doing it in a 14-game season (1967). He still holds most of the Jets' passing records and for his pro career completed 1,886 of 3,762 passes for 27,663 yards and 173 TD.

Namath's 1965 signing gave the Jets and the AFL the credibility they needed and started the building to the Super Bowl championship. His legendary Alabama coach Bear Bryant said, "Joe Namath is the greatest athlete I have ever coached."

Namath was elected to the Hall of Fame on January 29, 1985.

DON MAYNARD

WIDE RECEIVER (1960-72)

At the time of his retirement, Don Maynard was the all-time leading receiver in NFL history. Maynard caught 633 passes for 11,834 yards (18.7) for 88 TD. His yardage still ranks 4th all-time and his number of catches is 7th.

Maynard was a four-time AFL All-Star and is a member of the All-Time AFL team chosen by the Pro Football Hall of Fame. He went over the 100-yard receiving mark in 50 games (still an NFL record). The El Paso, TX native joined the AFL in 1960 and was the first Titan to sign a contract.

His most memorable game was the 1968 AFL Championship in which he caught six passes for 118 yards and two TD (including the game-winner) to help put the Jets into the Super Bowl.

The Texas Western (now known as the Univ. of Texas at El Paso) alumnus was enshrined into the Hall of Fame on Aug. 8, 1987.

NEW YORK 16, BALTIMORE 7

The defense shared at least as much glory as the offensive unit, intercepting the Colts four times. Randy Beverly picked off two; Jim Hudson and Johnny Sample, one each. The defensive unit harrassed Colts' quarterbacks Earl Morrall and Johnny Unitas all afternoon, allowing them to complete only 17 of 41 passes. The victory was the third in World Championship competition in as many tries for Weeb Ewbank and made him the only man ever to coach world champions in both the AFL and NFL.

1969 AFL PLAYOFF
Dec. 20, 1969—SHEA STADIUM
KANSAS CITY 13, NEW YORK 6

The game was a classic battle of defenses, played in remarkably cold and windy conditions before a sellout 62,977 fans. Through the first three quarters, neither team could penetrate for a touchdown and the score stood at 6-3 for the Chiefs. Jim Turner had put New York out in front, 3-0, with a 28-yard field goal the first time the Jets had the ball, but the Chiefs' Jan Stenerud retaliated with a 23-yarder on the next series.

Not until the fourth quarter did the breaks occur. With first and goal on the one-yard line, three cracks, including a Joe Namath bootleg, failed to bring a touchdown. Turner then kicked a 7-yard field goal to tie it, 6-6.

Two plays later Kansas City was in the end zone. Len Dawson hit Otis Taylor for a 61-yard pass play to take the Chiefs to the Jets 19. Then Dawson fired the final 19 yards to Gloster Richardson for the only TD of the game.

Namath threw 20 passes over the next two Jets' series, but a fourth down incomplection and a Jim Marsalis interception thwarted the Jets and put Kansas City on the road to the world championship.

1981 AFC WILD CARD PLAYOFF
DEC. 27, 1981—SHEA STADIUM
BUFFALO 31, NEW YORK 27

In one of the most exciting playoff games ever played, the Buffalo Bills hung on to defeat the Jets, 31-27 as Bill Simpson made an interception on the two-yard line with time running out.

The Bills scored on the opening kickoff when they recovered a Bruce Harper fumble and quickly built that to a 24-0 second quarter lead. The Jets rallied in the third quarter to make it 24-13. The game appeared over as Joe Cribbs busted a 50-yard TD to give Buffalo a 31-13 lead with 10:16 left.

The Jets refused to die, however, and with Richard Todd at the controls, New York scored 2 quick TD and were now down 31-27 with 3:44 to go. A swarming defense forced the Bills to go three and out and with 2:36 left and the goal line 80-yards away, Todd started the Jets on their march. They drove to the Bills 11-yard line with 14 seconds on the clock, but Simpson made his game-saving interception and the Jets' season ended.

1982 AFC PLAYOFF
JAN. 9, 1983—CINCINNATI RIVERFRONT STADIUM
NEW YORK 44, CINCINNATI 17

The Jets mixed up solid and hard hitting football with a measure of razzle dazzle on offense and gimmicks on defense to beat the Bengals at Cincinnati in round one of the NFL Super Bowl Tournament. The game was highlighted by Freeman McNeil's 202 yards rushing, the 3rd highest in playoff history, a TD pass from McNeil and a 98-yard INT for a TD by Darrol Ray to secure the win. The Bengals jumped to leads of 14-3 and 14-10 and were threatening to score again, when the Jets' defense might have made the play of the day. Nickel back Johnny Lynn made an interception at the J1 and with McNeil leading the way behind an awesome performance by the offensive line, the Jets surged to a 17-14 lead which they never surrendered. McNeil was the "cannon" being shot by Richard Todd 22 times for 202 yards and one TD.

1982 AFC PLAYOFF
JAN. 15, 1983—LOS ANGELES MEMORIAL COLISEUM
NEW YORK 17, L.A. RAIDERS 14

The Jets sprung upset number two in the 2nd round of the Super Bowl Tournament, beating the Raiders to enter the AFC championship game. Richard Todd's 45-yard pass to Wesley Walker set up the winning one-yard TD run by Scott Dierking, but it took a pair of Lance Mehl interceptions in the last 3 minutes to wrap it up for the Jets. New York jumped to a 10-0 lead on a 20-yard TD pass from Todd to Walker and a Pat Leahy FG, but the Raiders came storming back in the 2nd half to take a 14-10 lead. The Jets came back to take the lead at the 3:45 mark following the Todd to Walker bomb, but the Raiders still had plenty of time. It looked as if the Jets had put the Raiders away when Mehl intercepted Plunkett at the LA27 with only 2:49 left, but the Raiders got one more chance when they recovered a Freeman McNeil fumble at their own 33 with 2:26 to go. Then Mehl made his clinching interception and this time the Jets ran out the clock.

1982 AFC CHAMPIONSHIP **JAN. 23, 1983—MIAMI ORANGE BOWL** **MIAMI 14, NEW YORK 0**

On an extremely muddy field at Miami's Orange Bowl, the Jets and Dolphins waged a defensive battle which ended with Miami on top 14-0 to earn a trip to the Super Bowl. A.J. Duhe was the hero of the game, which saw a total of 12 turnovers, with three interceptions, returning the final one 35-yards for a touchdown early in the fourth quarter. Woody Bennett ran seven yards for the first Miami touchdown on the Dolphins' first possession of the third quarter, capping a 48-yard, seven-play drive following Duhe's second interception. The poor field conditions severely hurt the Jets' rushing attack as Freeman McNeil, who had rushed for 303 yards in the previous two playoff wins, was limited to only 46 yards on 17 carries due to the footing. It was the first time in NFL playoff history that two teams were deadlocked at 0-0 at halftime. The Jets passing game was also hindered as Richard Todd was intercepted a record-tying five times by Miami. The New York defense held Miami to only 198 net yards, intercepted David Woodley three times and forced three fumbles.

1985 AFC WILD CARD PLAYOFF **DEC. 28, 1985—GIANTS STADIUM** **NEW ENGLAND 26, NEW YORK 14**

New England came out on top 26-14 in a game that saw the Jets self-destruct. The Jets committed 4 costly turnovers which led to 17 Patriots points. New England, which went on to win the AFC championship, played an almost flawless game with no turnovers and only 1 penalty. The Jets were ahead 7-6, and driving late in the 2nd quarter when Ken O'Brien was intercepted on the 7-yard line. New England came back with a TD pass from Tony Eason to Stanley Morgan on a blitz 6 plays later. O'Brien suffered a concussion on the final play of the half on an Andre Tippett sack and would only play the first series of the 2nd half. Before Pat Ryan could relieve him though, New England added a FG and then scored a TD when the ensuing kickoff was fumbled by Johnny Hector and returned 15-yards by Johnny Rembert. With the Jets trailing 23-7, Ryan came in and directed a TD drive.

1986 AFC WILD CARD PLAYOFF

Dec. 28, 1986—GIANTS STADIUM

NEW YORK 35, KANSAS CITY 15

Joe Walton started Pat Ryan to give the team an emotional lift and it got just that from Ryan plus a key running play and a 3-TD passing performance. The club also received Freeman McNeil's 135-yard rushing performance to spark the Jets' first home playoff win since 1968. Trailing 6-0, Ryan ran a QB draw for 24 yards from the KC33 on a 4th & 6 play to set up the Jets' go ahead TD. On the 1st down of the ensuing series, the Jets defense forced a KC fumble and Ryan concluded a 12-play, 47-yard drive with a 1-yard pass to McNeil. Just prior to the half, Ryan hit Al Toon with a TD pass for a 21-6 halftime edge. The Jets nailed the victory on the 1st play of the 2nd half when Kevin McArthur swiped a Todd Blackledge pass and dashed 21 yards for a 28-6 margin. The Jets' defense allowed a season low 241 yards total offense and had 2 sacks, 2 INT and 1 FR.

1986 AFC DIVISIONAL PLAYOFF

Jan. 3, 1987—CLEVELAND STADIUM

CLEVELAND 23, NEW YORK 20 (2 OTs)

In the 3rd longest game in NFL history (77:02), Cleveland staged an incredible comeback to send the game into OT before Mark Moseley's 27-yard FG advanced the Browns to the AFC Championship game. With Pat Ryan at QB, the Jets jumped on top 7-0 following a flea-flicker 42-yard TD pass from Ryan to Wesley Walker. Ryan was forced to leave the game in the 2nd quarter with a groin injury and was replaced by Ken O'Brien. Meanwhile, the Jets defense was outstanding holding the Browns to just 10 points and 302 total yards until late in the 4th quarter. Immediately after a Jerry Holmes interception, the Jets took a 20-10 lead on Freeman McNeil's 25-yard TD with 4:14 remaining in regulation. Kosar led the Browns 68 yards to set up Kevin Mack's one-yard run to make the score 20-17 with 1:57 left. Cleveland's defense forced the Jets to punt with :51 left before Kosar's 37-yard pass to Webster Slaughter to the 5-yard line set up the tying 22-yard FG. The Jets got a 2nd life when Moseley missed a 23-yard FG 6:06 into OT, but he redeemed himself by kicking the winning 27-yard FG on a first-and-goal play from the J9.

1991 AFC WILD CARD PLAYOFF

Dec. 29, 1991 - Houston Astrodome

HOUSTON 17, NEW YORK 10

The Jets returned to the playoffs for the first time since 1986 and came close to registering an upset win at Houston. Trailing 17-10 with only :20 left at the H47, the Jets were unsuccessful in their attempts to tie the game on 2 Hail Mary passes, the last of which was intercepted to end the game. The game started with Houston taking the opening drive 80 yards in 16 plays for a 7-0 lead. After Erik McMillan's INT halted the Oilers' next drive, the Jets tied the game on Al Toon's 1st TD of the season, a 10-yarder from Ken O'Brien. Warren Moon tossed his 2nd TD pass of the game to Earnest Givens to give the Oilers a 14-10 halftime lead. Three key plays would doom the Jets in the second half. After taking the opening drive of the third quarter down to the H7 in 12 plays, O'Brien's pass intended for Mark Boyer was picked off by Bubba McDowell at the H3. Houston then drove 62 yards in 14 plays for a 53-yard FG to go ahead 17-10. On the Jets' next drive attempting to tie the game from the H3, Brad Baxter was stopped on 3rd and 1 for no gain, and then Freeman McNeil was halted on 4th and 1. The Jets got another shot when Lonnie Young's hit forced Moon to fumble at the H34 with 4:59 left, but the Oilers' defense stopped the Jets on 4 downs. The Jets' defense played extremely well holding the high-powered Houston offense to just 17 points while registering 4 sacks (2 by Mo Lewis), 2 FF and 1 INT. Toon tied for the 2nd most catches by a Jets' WR in a playoff game with 8-96-1 TD.
